The Board shall disburse the net proceeds of such award on a fair and reasonable basis to the Mortgagees directly affected by the condemnation and the balance to the Owners directly affected thereby. The decision of the Board as to the fairness and reasonableness shall be binding upon all parties, if such decision reasonably relates to the given facts.

b. *Units.* If a Unit or Units are acquired by a taking in condemnation or by eminent domain so as to leave the Owner(s) with a remnant which may not practically or lawfully be used for any purpose permitted by this Master Declaration, upon acquisition by the condemning authority, unless the decree provides otherwise, each affected Unit shall thereafter be a Common Element and the Assessments related thereto shall be automatically reallocated to the remaining Units.

16. Rules and Regulations. The Association, acting through the Board, or other appointed committee, may from time to time adopt, amend, repeal, and enforce Rules and Regulations as may be deemed necessary or desirable with respect to the interpretation and implementation of this Master Declaration or any Supplemental Declaration, the operation of the Association and the use and enjoyment of the Development. Any such Rules and Regulations shall be uniformly applied, but the applicability of a particular rule to a particular situation shall be in the sole discretion of the Board. Each Owner shall comply with such Rules and Regulations. In the event of any conflict between the Rules and Regulations and the provisions of this Master Declaration, the provisions of this Master Declaration shall prevail.

17. Enforcement. The Association, acting through the Board, shall have the power to enforce the provisions of this Master Declaration, any Supplemental Declaration, and the Governing Documents and shall take such action as the Board deems necessary or desirable to cause such compliance by each Owner by anyone or more of the following means: (a) by commencing and maintaining actions and suits to restrain and enjoin any breach or

threatened breach of the provisions of this Master Declaration, any Supplemental Declaration or the Governing Documents, by mandatory injunction or otherwise; (b) by commencing and maintaining actions and suits to recover damages for breach of any of the provisions of this Master Declaration, any Supplemental Declaration, or the Governing Documents and for all expenses incurred in connection therewith, including reasonable attorney's fees; (c) by levying and collecting reasonable and uniformly applied fines and penalties established for breach of this Master Declaration, any Supplemental Declaration, or the Governing Documents; (d) by taking such action as reasonably necessary to bring a Unit and any Improvements thereon into compliance with this Master Declaration, any Supplemental Declaration, or the Governing Documents, the costs of which shall be at the Owner's sole expense; (e) by suspending the right to Vote and/or the right to use and enjoy the recreational facilities; and (f) by exercising any remedy for nonpayment of Assessments as provided herein. The Association shall have a lien on any Unit and any Improvement thereon to secure payment of the amounts described in this paragraph, and such lien may be enforced in the same manner and with the same priority as that of a lien for Assessments as provided herein. The Association, by contract or other agreement, may enforce county and city ordinances, if applicable, and local governments may enforce their ordinances within the Development.

18. **No Waiver.** The Association shall not be obligated to take action to enforce any covenant, restriction or rule which the Board reasonably determines is, or is likely to be construed as, inconsistent with applicable law, or in any case in which the Board reasonably determines that the position is not strong enough to justify taking enforcement action. Any such determination shall not be construed as a waiver of the right to enforce such provision under other circumstances or estop the Association from enforcing any other covenant, restriction or rule. The failure by the Declarant or the Board to enforce any covenant, restriction or Rule and Regulation provided in or by this Master Declaration, Supplemental Declaration or Governing Documents shall in no event be deemed a waiver of the right to do so thereafter.

19. **Safety and Security.** Each Owner and/or occupant of a Unit, and their respective guests and invitees, shall be responsible for their own personal safety and the security of their property within the Development. The Association may, but shall not be obligated to, maintain or support certain activities within the Development designed to enhance the level of safety or security which each Person provides for himself or herself and his or her property. Neither the Association, the Declarant nor their officers, agents, members or employees shall in any way be considered insurers or guarantors of safety or security within the Development, nor shall any of the foregoing be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken. The obligation to provide security lies with each Owner individually. No representation or warranty is made that any security system or measures, including any mechanism or system for limiting access to the Development, cannot be compromised or circumvented, nor that any such systems or security measures undertaken will in all cases prevent loss or provide the detection or protection for which the system is designed or intended. Each Owner acknowledges, understands, and shall be responsible for informing its guests, invitees, tenants and all occupants of a Unit that the Association, its Board of Directors

and committees, and the Declarant are not insurers or guarantors of safety or security and that each Person within the Development assumes all risks of personal injury and loss or damage to property, including Units, Improvements thereon and the contents within Units, resulting from acts of third parties.

20. **General Corporate Powers.** The Association shall have all of the ordinary powers and rights of a Tennessee not-for-profit corporation, including without limitation, the power and right to enter into partnerships and other agreements, subject only to such limitations upon such powers as may be set forth in this Master Declaration or in the Articles of Incorporation for the Association or the By-Laws. The Association shall also have the power to do any and all lawful things which may be authorized, required, or permitted to be done under this Master Declaration, under any Supplemental Declaration, or under the Governing Documents, and to do and perform any and all acts which may be necessary or desirable for or incidental to, the exercise of any of the express powers or rights of the Association under this Master Declaration, under any Supplemental Declaration, or under the Governing Documents.

ARTICLE VI DEVELOPMENT PROPERTY MAINTENANCE

1. **Maintenance.** All Units, together with the exterior of all Improvements located thereon, shall be maintained in a neat and attractive condition by their respective Owners. Except as otherwise provided herein, maintenance of, repairs to and replacements within the Common Elements shall be the responsibility of and shall be furnished by the Association, the cost of which shall be part of the Common Assessment assessed to and paid by Owners benefitted thereby.

2. **Construction.** During land development and throughout construction, all Owners and contractors acting under their authority in the development and construction of Improvements upon any Unit or Subunit shall take all such actions as may be reasonably required to control, inhibit, or prevent land erosion, the sedimentation of streams and impoundments resulting from erosion, and to keep such Unit or Subunit in a neat and sightly condition, free from trash and debris. No building materials may be stored on any Unit or Subunit except for the purpose of construction of Improvements on such Unit or Subunit and then only for such length of time as is reasonably necessary for the construction of the Improvements then in progress. During construction, an office trailer placed on a Unit or Subunit may be used temporarily until completion of construction, as a construction office.

3. **Failure to Maintain Units or Subunits.** In the event any Owner shall fail to maintain the condition of his Unit or Subunit, or the Improvements located thereon, the Association (upon the vote of at least two-thirds of its Directors) and after ten (10) days notice in writing and opportunity to cure being afforded to the offending Owner, may enter said Unit or Subunit and perform such maintenance as may be required to remedy such noncompliance. The cost of such maintenance shall be added to and become a part of the assessment to which such Unit or Subunit is subject, and the Owner of such Unit or Subunit

shall be personally liable for the cost thereof.

4. **General Owner Use and Enjoyment Rights.** Except as may be provided in this Master Declaration, Supplemental Declaration or the Governing Documents, every Owner shall have a right and easement of enjoyment in and to the Development, which shall be appurtenant to and shall pass with the title to each Unit, subject to applicable law, the provisions contained in this Master Declaration, any Supplemental Declaration, or the Governing Documents. All Owners may use the Development, unless otherwise provided by law or in this Master Declaration or unless provided in Supplemental Declarations governing the Unit of such Owner.

5. **No Partition.** No Owner shall have the right to partition or seek partition of the Development or any part thereof.

6. **Owner Liability for Damage.** Each Owner and any tenant, occupant, family member, guest, agent, servant, or invitee thereof shall be liable to the Association for any damage to the Development or for any expense or liability incurred by the Association, to the extent not covered by insurance, which may be sustained by reason of the negligence or willful misconduct of such Owner or tenant, occupant, family member, guest, agent, servant, or invitee of such Owner and for any violation by such Owner or tenant, occupant, family member, guest, agent, servant, or invitee of this Master Declaration, any Supplemental Declaration, and the Governing Documents. The Association shall have the power, as elsewhere provided herein to levy and collect Reimbursement Assessments against an Owner to cover the costs and expenses incurred by the Association on account of any such damage or any such violation of this Master Declaration and the Governing Documents, or for any increased insurance premiums directly attributable to any such damage or any such violation.

7. **Damage Removal and Reconstruction.** In the event of damage to Common Elements by fire or other casualty or in the event any governmental authority shall require any repair, reconstruction, or replacement of any portion of the Development, the Board shall promptly cause debris to be cleared and leave the same in a neat and orderly condition. The Board shall, in its sole and absolute discretion without intervention of any Owner, determine and arrange for prompt repair, restoration, and reconstruction of the damaged portion of such Common Elements in substantial accordance with the original plans and specifications therefore. Any change or alteration must be approved by the Board. Where the insurance indemnity is insufficient to cover the cost of such repairs, restoration and reconstruction, the deficit shall be paid by all Owners directly affected by the damage or destruction in a fair proportion as determined by the Board in its sole and absolute discretion. The Board shall not be responsible for the repair, replacement or restoration of any Unit, or Improvements there upon, including landscaping installed in or for the sole benefit of a Unit by its Owner.

ARTICLE VII DECLARANT'S RIGHTS AND RESERVATIONS

1. **Applicability and Term.** Declarant shall have and hereby retains and reserves certain rights set forth in this Master Declaration with respect to the Association and the Development. Declarant's rights and reservations set forth herein shall be deemed excepted and reserved in each recorded Supplemental Declaration, in each conveyance of property by Declarant to the Association and in each deed or other instrument by which any property within the Development is conveyed, whether or not specifically stated therein. The rights, reservations, and easements of Declarant set forth in this Master Declaration during the Period of Declarant Control may not, without Declarant's prior written consent, be modified, amended, rescinded, or affected by any amendment hereto, including any amendment of this Article. Declarant's consent to any such amendment shall not be construed as consent to any other or subsequent amendment. In the event of any conflict between the rights reserved to Declarant hereunder and any other provisions of this Master Declaration, then Declarant's rights shall control. In the event of Declarant default of its development loan or other financing related to the development of the Development that results in the transfer of ownership of the Development to the lender, then all of Declarant's rights, duties, obligations, liabilities and any other responsibility set forth in this Master Declaration shall automatically be transferred and assigned to such lender.

2. **Additional Improvements.** Declarant shall have and hereby reserves the right, at any time and from time to time, but shall not have the obligation, to construct, at its expense, additional Improvements within the Development which are for the betterment and enhancement thereof and for the benefit of the Association and the Owners. Declarant will convey or transfer such Improvements to the Association, which shall be obligated to accept title to, care for, and maintain the same as elsewhere provided herein.

3. **Promotion and Marketing.** Declarant shall have and hereby reserves the right to use the Development in connection with development, construction, promotion, marketing, sale and leasing of properties within the Development, by erecting and maintaining on any part of the Development such signs as Declarant, in its sole discretion, may deem desirable, necessary or proper in connection with the development, construction, promotion, marketing, sale and leasing of parcels of real property within the Development, and by permitting prospective purchasers of any of such parcels who are not Owners to enter upon the Development; provided, however, that Declarant shall pay all costs occasioned by such use, including without limitation maintenance and repair expenses.

4. **Development Completion.** No provision of this Master Declaration shall be construed to limit the right of Declarant to or require Declarant to obtain approval: (a) to complete Improvements indicated on Plats, Site Plans and/or Plans filed with this Master Declaration, as may be amended from time to time; (b) to create, add, withdraw, modify, alter, subdivide or redefine Units or Common Elements, comprising the Development; (c) to make the Development part of a larger planned community or to subject same to a master association; (d) to excavate, cut, fill, or grade any property owned by Declarant or to

construct, alter, remodel, demolish, or replace any Improvements on any part of the Development; or (e) to require Declarant to seek or obtain the approval of the Association for any such activity or Improvement to property by Declarant on any part of the Development. Nothing in this Paragraph shall limit or impair the reserved rights of Declarant as elsewhere provided in this Master Declaration.

5. **Easements.** Declarant shall have and hereby reserves the right to grant or create temporary or permanent easements and rights-of-way for access, utilities, water, drainage, and other purposes incident to development, construction, or sale within the Development, located in, on, under, over, and across the Development, or property owned by Declarant, provided that such easements and rights-of-way that are located within the Development do not unreasonably interfere with the rights of Owners.

6. **Conveyance of Additional Property.** Declarant shall have and hereby reserves the right, but shall not be obligated to, convey additional real property and improvements thereon to the Association at any time and from time to time in accordance with this Master Declaration.

7. **Amendment.** The right during the Period of Declarant Control to amend this Master Declaration to comply with the requirements of the Federal National Mortgage Association ("FNMA"), the Federal Housing Authority ("FHA"), The Federal Home Loan Mortgage Corporation ("FHLMC"), the Veteran's Administration ("VA"), or other mortgage lending programs that can afford financing for the purchase of Units or Subunits in new condominiums or planned unit developments created by submitting a Unit to an additional declaration.

ARTICLE VIII ASSESSMENTS

1. **Covenant to Pay and Commencement.** Each Owner, by acceptance of a deed to his Unit, whether or not it shall be so expressed in such deed, is thereby deemed to covenant and agree to pay to the Association: (a) Common Assessments, (b) Special Assessments, (c) Supplemental Assessments, (d) Reimbursement Assessments, and (e) fines or charges which may be imposed against such Unit in accordance with the provisions of this Master Declaration. An Owner's obligation to pay Assessments and any other duly levied charge shall commence on the first day of the first month following the transfer or conveyance of a Unit to a person or entity other than the Declarant or an affiliated company of Declarant.

2. **Common Assessment.** The Board shall have the power and authority to levy a "Common Assessment" to fund the annual or other periodic costs of operating the Association, including expenses incurred in connection with any Administrative Function and other expenses duly incurred by or on behalf of the Association which are to be paid by each Owner to the Association. Expenses which may be duly incurred on behalf of the Association in connection with the performance of Administrative Functions include,

without limitation, the following:

- a. Expenses of maintenance, operation, repair, and replacement, of the Common Elements, including, without limitation, costs of labor, equipment, and materials incurred in connection therewith.
- b. Utility charges for utilities serving the Common Elements and for the lighting of streets throughout the Common Elements, as well as charges for other common services for the Development.
- c. Expenses related to sprinkler systems, supplemental trash disposal, seasonal decorative lighting, and other seasonal landscaping.
- d. Principal, interest, and other charges payable with respect to: (i) loans to the Association to provide funds to perform any Administrative Function or to pay any other obligation of the Association, including, without limitation, loans financing the construction of Improvements for the Development and on loans from Declarant made to the Association to fund Association expenses prior to the time when Common Assessments payable by Owners other than Declarant are sufficient to fund the normal operating expenses of the Association.
- e. Other expenses as may be determined from time to time by the Board to be incurred necessarily or appropriately for the performance of Administrative Functions, including, without limitation, taxes, insurance premiums, utility charges, and government charges not separately assessed against Units.
- f. The establishment and maintenance of a reasonable reserve fund or funds for (i) maintenance, repair, and replacement of those portions of the Development and Improvements thereon that are the responsibility of the Association and that must be maintained, repaired, or replaced on a periodic basis; and (ii) to cover unforeseen operating contingencies or deficiencies arising from unpaid Assessments or liens, as well as from emergency expenditures and other matters, all as may be authorized from time to time by the Board.

3. **Common Assessment Calculation.** Prior to commencement of each Assessment Year, the Board shall fix the amount of the Common Assessment by preparing a Budget for the Administrative Functions to be provided by the Association in the coming Assessment Year. The proposed Budget is to show the categories of expenses and the anticipated amounts of expenses for which Common Assessments are determined by the Board to be necessary or desirable, and shall reflect any expected income and estimated sources and amounts thereof of the Association for such Assessment Year, as well as any expected surplus from the prior Assessment Year. At the office of the Association or its agent, copies of the proposed Budget and the Budget for the current Assessment Year will be made available by the Association to any Person requesting a copy thereof upon payment of the reasonable expense of copying same. The Board shall allocate the Common Assessment among the Units, as further set forth on Exhibit C hereto.

4. **Assessment Notice.** Notice of any Assessment set forth herein shall be sent by prepaid U.S. Mail, FedEx, UPS, or other reputable private carrier, facsimile transmission, or electronic transmission at the address or other contact information provided to the Board by the Owner for notices provided herein or in the event no separate address or other contact information has been provided, then by prepaid U.S. Mail or hand delivery to the Owner's Unit. Such notice shall state the type of Assessment being levied, the amount to be paid, payment frequency (annual, quarterly, monthly, or as otherwise set by the Board), and the payment due date(s), as well as any other required information. Notices will be given to Owners in a reasonable period of time prior to the payment or first installment due date.

5. **Delinquent Payment.** All Assessments or other duly levied charge or fine under this Master Declaration shall be due and payable on date set forth in the notice related thereto. Any Assessment or any portion thereof not paid when due shall be deemed delinquent. Any Assessment delinquent for a period of more than ten (10) days shall incur a late charge in an amount as may be determined by the Board from time to time and shall bear interest from the date due at 10% per annum until paid, but in no event shall the interest charged be in excess of the Delinquency Interest Rate.

6. **Failure to Establish Common Assessments.** The failure by the Board to levy Common Assessments for any Assessment Year shall not be deemed a waiver or modification of any of the provisions of this Master Declaration or a release of liability of any Owner to pay Common Assessments, or any installment thereof, for that or any subsequent Assessment Year. In the event of such failure, the amount of the Common Assessment for that Assessment Year shall be, until subsequently modified by the Board, the same as for the most recent year for which Common Assessments were levied.

7. **Special Assessments.** The Board may levy one or more Assessments to be known as "Special Assessments" for the purpose of raising funds, not provided by Common Assessments to: (a) construct or reconstruct, repair, remodel, replace, or maintain Improvements within the Development, including necessary personal property related thereto, and to pay ad valorem taxes and insurance on Development property; (b) add to the Development property; (c) provide for necessary facilities and equipment to offer the services authorized in this Master Declaration; (d) repay any loan made to the Association to enable it to perform any duty or function authorized in this Master Declaration; or (e) pay for any other cost or expense as determined by the Board. The amount of Special Assessment to be paid by each Owner shall be calculated in the same manner as Common Assessments and may be made payable in installments over a period that may extend beyond the Assessment Year in which the resolution was adopted. In addition to the other information required to be set forth in Assessment notices, a Special Assessment notice shall state the purpose of the Special Assessment.

8. **Supplemental Assessments.** In any Assessment Year, if the Board determines that the important and essential functions of the Association may not be fully funded by the Common Assessment received or receivable for that Assessment Year, the Board may levy one or more Assessments to be known as "Supplemental Assessments,"

applicable to that year only, by resolution authorizing same. The amount of Supplemental Assessment to be paid by each Owner shall be calculated in the same manner as Common Assessments and may be made payable in installments over a period that may extend beyond the Assessment Year in which the resolution was adopted. In addition to the other information required to be set forth in Assessment notices, a Supplemental Assessment notice shall state the amount of the deficit and the reasons therefor.

9. **Reimbursement Assessment.** Subject to the provisions hereof, the Board may levy an Assessment, known as a "Reimbursement Assessment" against any Owner(s) to reimburse the Association for any loss sustained by reason of the willful or negligent failure of such Owner(s) to comply with this Master Declaration, any Supplemental Declaration the Governing Documents, which resulted in the expenditure of funds by the Association to remedy a problem or to cause such compliance. In addition to the other information required to be set forth in Assessment notices, a Reimbursement Assessment notice shall state the reason(s) therefor.

10. **Developer Responsibility.** Until the termination of the Period of Declarant Control, the Declarant shall not be liable for payment of assessments on its unsold Units. However, Declarant may, but shall not be obligated to, elect to contribute to the Association the difference between the amount of Assessments levied on all other Units subject to assessment and the amount of the Association's actual expenditures during the fiscal year (a "Subsidy"). Any Subsidy may be treated, in Declarant's discretion, as either: (a) voluntary contribution; (b) an advance against future Assessments (if any); or (c) a loan by Declarant to the Association. A Subsidy may be evidenced by one or more promissory notes from the Association in favor of Declarant, or Declarant may cause the Association to borrow such amount from a commercial lending institution at the then prevailing rates for such a loan in the local area of the Development Property. Any Subsidy shall be disclosed as a line item in the Budget. The payment of a Subsidy in any year shall under no circumstances obligate Declarant to continue payment of such Subsidy in future years. In the event Declarant expends any of its own funds for Administrative Functions, Declarant shall be entitled to reimbursement from the Association or a credit for such sums against any Assessment that Declarant might be required to pay by virtue of being an Owner. Declarant will not be obligated to pay any operating fund deficiencies that are due to non-payment of Assessments by Owners other than Declarant, and nothing contained in this Paragraph shall be deemed to relieve or release any Owner from the obligation of that Owner to pay Assessments. The decision of Declarant to fund any deficit provided for herein may be satisfied in the form of a cash substitute or by "in kind" contribution of materials and substances or a combination thereof. All "in kind" contributions of services and materials shall be valued at the reasonable market value of such service or materials.

11. **Enforcement: Liens and Personal Obligation.** In order to secure payment of Assessments, fines, or other duly levied charges assessed against any Unit within the Development pursuant to this Master Declaration as same become due, there shall arise a continuing lien and equitable charge ("Assessment Lien") in favor of the Association for all such sums, together with court costs, reasonable attorney's fees, late charges, any other collection costs, and interest thereon as provided herein (collectively, "Non-compliance

Damages"), If any Assessment, fine, or other duly levied charge remains unpaid for sixty (60) days from the original due date, the Association may, as the Board shall determine, institute suit to collect Noncompliance Damages, foreclose its Assessment Lien, or both. The Assessment Lien shall be in favor of the Association and each Owner, by acceptance of a deed to a Unit vests in the Association or their agents, the right and power to sue or otherwise proceed against such Owner for the collection of Noncompliance Damages and/or to foreclose the Association's Assessment Lien. The Association shall have the power to bid on the Unit at any such foreclosure sale and to acquire, hold, lease, mortgage, and convey same except that the amount the Association may bid at any such sale may not exceed the total amount owed to the Association by the delinquent Owner. The Noncompliance Damages shall also be the personal obligation of the Person who was the Owner at the time the Assessment, fine, or other duly levied charge became due. Such personal obligation shall not pass to successors in title unless expressly assumed by them, Any sale or transfer described herein shall not relieve such Unit from liability for any Assessments accruing after such sale or transfer.

12. **Priority of Assessment Lien.** The Assessment Lien described in the preceding Paragraph shall be superior to all other liens and encumbrances on such Unit except for: (a) liens of ad valorem taxes; and (b) a lien for all sums unpaid on a first Mortgage, on any secondary purchase money Mortgage, or on any Mortgage to Declarant, and all amounts advanced pursuant to any such Mortgage and secured thereby in accordance with the terms of such instrument; provided, however, that the subordination of the Assessment Lien to the foregoing Mortgages shall apply only to Assessments that shall have become due and payable prior to a sale or transfer of such Unit pursuant to a foreclosure. Further, notwithstanding the foregoing, any Mortgage held by a party related to, affiliated with, or controlled by the Owner of the Unit on which such Mortgage exists shall not be entitled to such priority unless such Mortgagee obtains the written agreement of the Association that it will be entitled to such priority before making such Mortgage. All Persons acquiring other liens or encumbrances on any Unit after the recording of this Master Declaration shall be deemed to consent that such liens or encumbrances shall be inferior to such future equitable charges and liens for Assessments as provided herein, whether or not such prior consent shall be specifically set forth in the instruments creating such liens or encumbrances.

13. **No Offsets.** All Assessments shall be payable in the amounts specified in the notice related thereto, and no offsets or reductions thereof shall be permitted for any reason, including, without limitation, any claim of non-use of Development property or Improvements thereon or any claim that the Association, the Board, or any committee of the Board is not properly exercising its duties and powers under this Master Declaration.

14. **Estoppel Certificate.** Upon the payment of such reasonable fee as may be determined from time to time by the Board and upon the written request of any Owner or any Mortgagee or Person intending to acquire any right, title, or interest in the Unit of such Owner, the Association shall furnish a written statement setting forth the amount of any Assessments or other amounts, if any, due and owing to the Association and then unpaid with respect to such Unit and/or the Owner thereof, as well as the amount of any Assessment levied against such Unit, which is not yet due and payable. Such statement shall, with respect

to the Person to whom it is issued, be conclusive against the Association to establish that no greater or other amounts were then due or accrued and unpaid and that no other Assessments were then levied and unpaid against such Unit.

15. **Records of Assessments.** The Association shall cause to be maintained in the office of the Association or its Managing Agent a record of all Owners, their Unit(s) and the Assessments, fines, and/or other duly levied charges applicable thereto that shall be open to inspection by any Owner.

ARTICLE IX ALTERATIONS AND IMPROVEMENTS

1. **Common Elements.** No Owner shall make any alteration, addition, or improvement to, or place any Improvement upon the Common Elements, or any portion thereof, without the prior written approval of the Declarant and thereafter the Board. The Declarant and thereafter the Board may authorize and charge as part of the Common Assessments any such alteration, addition, or improvement.

2. **Limited Effect of Plan Approval.** The approval by the Declarant or the Board of any Plans for the construction of any Improvement within the Development is not intended to be an approval of the structural stability, integrity, or design of a completed improvement, the safety of any component therein, or the compliance thereof with the Metropolitan Government of Nashville and Davidson County regulatory requirements or any federal, state, or local law, regulation, or ordinance. This approval by the Declarant or the Board is required solely for the purpose of insuring compliance with the covenants contained herein and to insure the harmonious and orderly architectural and aesthetic development and improvement of the Development Property. As such, no liability shall accrue to the Declarant, the Board, or to the Association in the event that any such construction shall subsequently prove to be defective or not in compliance with such requirements.

3. **Declarant / Association Improvements.** Improvements made and/or work performed by the Declarant or the Association shall not be subject to the provisions of this Article.

4. **Noncompliant Improvements.** Notwithstanding anything to the contrary set forth elsewhere in this Master Declaration, neither the Declarant nor the Association shall be responsible for the maintenance, repair, and replacement of any construction, installation, alterations, or additions not made in compliance with the provisions of this Article.

ARTICLE X RESTRICTIONS ON USE, ALIENATION, AND OCCUPANCY

1. **Use and Occupancy Restrictions.** Subject to the Declarant Rights reserved by the Declarant in Article VII, the following use restrictions apply to all Units, Subunits, and Common Elements:

a. Permitted Use. No part of the Units, Subunits, and Common Elements may be used for purposes other than those specific uses specified in Metropolitan Government of Nashville and Davidson County, Ordinance No. BL2018-1414 for which specific reference should be made for additional details.

b. Improper Activities. No immoral, improper, unlawful or offensive activity shall be carried on in any Unit, Subunit, or upon the Common Elements, nor shall anything be done which may be or become an annoyance or a nuisance to the Owners of Units or Subunits. An Owner shall not do or permit anything to be done or keep or permit to be kept in his Unit or Subunit, or on the Common Elements, that will increase the rate of insurance on the Development.

c. Signs. No signs or other advertising devices shall be displayed which are visible from the exterior of any Unit or Subunit, or on the Common Elements, including "For Sale" signs, except in conformity with Rules and Regulations promulgated by the Board of Directors.

d. Antennae. No exterior radio, television, microwave, or other antennae or antennae dish or signal capture or distribution device shall be permitted outside any Improvement except as expressly permitted by applicable law.

e. Rules and Regulations. In addition to the restrictions set forth above, the use of Units, Subunits and the Common Elements shall be subject to such Rules and Regulations as may be adopted by the Association.

f. Trash Pickup. The Association shall enter into a contract for private trash pickup and shall pay as part of the Common Area expenses and annual assessments, the expense for such service. Owners shall abide by the rules and procedures set forth by the Association and any trash pickup service engaged.

2. **Restrictions on Alienation.** A Unit or Subunit shall be subject to the following restrictions on alienation:

a. A Unit or Subunit may not be conveyed pursuant to a time-sharing arrangement.

b. A Unit or Subunit may be leased or rented subject to the reasonable requirements of the Board of Directors in regard to leases and rental agreements. All leases must be in writing and shall incorporate the provisions of this Master Declaration and the Bylaws.

ARTICLE XI MORTGAGEE RIGHTS AND PROTECTIONS

1. **Special Actions Requiring Mortgagee Approval.** Notwithstanding anything herein to the contrary, unless at least seventy-five percent (75%) of the first mortgagees (based upon one vote for each Lot or Units encumbered by such first mortgage) of the individual Lots or Units have given their prior written approval, the Association shall not be entitled to:

a. By act or omission, seek to abandon or terminate the restrictions declared herein;

b. Partition or subdivide at Unit;

c. By act or omission, seek to abandon, partition, subdivide, encumber, sell or transfer the Common Elements; provided that, the granting of easements for public utilities or for other public purposes consistent with the intended use of the Common Elements by the Development shall not be deemed to transfer within the meaning of this clause.

d. Use hazard insurance proceeds for losses to any Common Element for other than the repair, replacement, or reconstruction of such Improvements except as provided by statute.

2. **Special Rights of Mortgages.** A first mortgagee, or beneficiary of any deed of trust, shall be entitled to the following special rights:

a. Upon request, such first mortgagee is entitled to written notification from the Association of a default in the performance of any individual Owner of any obligation under this Master Declaration that is not cured by such Owner within sixty (60) days.

b. Any first mortgagee shall have the right to examine the books and records of the Association during regular business hours, and such books and records shall be made available to first such mortgagees upon their request.

3. **Insurance Policy.** Mortgagees shall have the right, upon written request, to receive notice from the Association of any lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Association.

4. **Condemnation and Casualty Loss.** Mortgagees shall be entitled to timely written notice of any condemnation or casualty loss that affects either a material portion of the Common Elements or the Unit securing the Mortgagee's Mortgage, and no Owner or any other party shall have priority over any rights of Mortgagees in the case of a distribution to Owners of insurance proceeds or condemnation awards related to Units and/or Common Elements.

ARTICLE XII AMENDMENTS

1. **Owners.** Except as otherwise provided herein, the provisions of this Master Declaration may be changed, modified, or amended by Supplemental Declaration or other written and properly recorded instrument setting forth such change, modification, or amendment, upon the affirmative Vote of all Members at a duly called meeting of the Association. However, any such change, modification, or amendment that would change or delete any right, remedy, benefit, or privilege afforded to the Declarant under this Master Declaration shall require the verified written consent of the Declarant upon such instrument in order to be effective. Revocation of this Master Declaration or the self-management of the Association shall require the affirmative Vote of all of the Members of the Association entitled to Vote at a duly called meeting of the Association or the affirmative written consent of such percentage of the Members at which a quorum is present. Any such change, modification, amendment, or revocation shall not become effective until the instrument evidencing such change has been recorded in the Register's Office for Davidson County, Tennessee. Notwithstanding the above, no amendment shall modify any provision of Article XI, Section 2(b), of Master Declaration or in any other way limit a Unit Owner's ability to rent or lease their Unit for a term of less than thirty (30) days without the written consent of one hundred percent (100%) of the Unit and Subunit Owners.

2. **Declarant.** The Declarant hereby reserves and shall have the right, power, privilege, and authority, in its sole discretion, to amend this Master Declaration and any Exhibit hereto without the consent, joinder, or approval of the Association, the Board, Owner, any Person having a contractual right to purchase a Unit, any Mortgagee or beneficiary of any Mortgage or deed of trust on any Unit, or any other Person. Such right, power, privilege, and authority of Declarant shall expire three (3) years after the expiration of the Period of Declarant Control. ARTICLE IV MEETINGS OF MEMBERS

1. **Annual Meetings.** The first regular annual meeting of the Members may be

held, subject to the terms hereof on any day, at the option of the Board; provided, however, that the first meeting may be held no later than the earlier of the following events: (a) four (4) months after all the Units within the Development Property have been sold by the Declarant or (b) five (5) years following conveyance of the first Unit within the Development Property by the Declarant. Each subsequent regular annual meeting of the Members shall be held, to the extent possible, within twenty-five (25) days of the anniversary of the first regular annual meeting each year thereafter at such time as set by the Board.

2. **Special Meeting.** Following the Period of Declarant Control, special meetings of the Members, for any purpose or purposes, may be called by the president, a majority of the Board, or by Members having not less than sixty-seven percent (67%) of the total Vote entitled to be cast at such meeting, except as otherwise required by Tennessee statute, the Master Declaration, or these By-Laws. If, however, the Members entitled to Vote in person or represented by proxy present at a meeting fail to satisfy a quorum, the Members present shall have the power to adjourn the meeting, without notice other than announcement at the meeting, until a quorum shall be present or represented. Further, if a quorum is not present, a subsequent meeting may be called, and the required quorum shall be reduced by half at such meeting.

6. **Majority Vote; Withdrawal of Quorum.** When a quorum is present at any meeting, the majority Vote of Members present, in person or by proxy, and entitled to Vote shall decide any question brought before such meeting, unless the question is one upon which by express provision of an applicable Tennessee statute, the Master Declaration, or these By-Laws, a different Vote is required, in which case such express provision shall govern and control the decision of such question.
